

Hartford Rising! is a coalition of Hartford residents, community and labor groups, local clergy, small business owners and leaders that have come together to strengthen the ties between Hartford’s individual communities and address our city’s most concerning needs.

Your answers on this community needs assessment survey will go towards creating a “Community Bill of Rights” a legal document for Hartford resident’s that will serve to ensure and protect each and every Hartford citizen’s most basic needs.

NEEDS ASSESSMENT SURVEY

In coming together, Hartford Rising! Members have identified five basic categories (Jobs, Health Care, Education, Housing and Neighborhood Safety). Please circle Y if you agree or N if you disagree.
